NOTES:

We plan on sending invitations to every prospective ChargePoint opportunity we have been in contact with, plus those we plan on contacting. Other interested / associated businesses will be invited.

Every media outlet will receive an invitation and press release.

24 Hour security for the Zero and display will be provided by Praetorian World Security.

Two rooms have been set aside at Hotel Galvez for Mr. Mannino and associates. We need to know the names of any other parties who may wish to stay at Hotel Galvez.

It is likely that we will be announcing 2 – 3 additional ChargePoint installations on the same weekend.

Can announce EV Island at Press Conference / Media event.
