

2019-2020 SALLY B. WALLACE PRESERVATION AWARDS

Galveston Historical Foundation (GHF) is accepting nominations for the 2019-2020 Sally B. Wallace Preservation Awards, recognizing outstanding projects and craftspeople involving the preservation, restoration, and enhancement of Galveston County's historic buildings and neighborhoods. The annual award ceremony is named after the late Sally B. Wallace, one of the driving forces behind Galveston Island's preservation movement and a pivotal figure in saving the antebellum Ashton Villa from demolition.

Galveston County projects completed after January 1, 2017 will be considered for the 2020 awards. A project can be nominated either by the property owner or by another individual or group, such as a neighborhood organization, building contractor or architect. **DEADLINE FOR SUBMISSIONS: Friday, JUNE 5, 2020**

Award recipients will be notified prior to the award ceremony. The awards will be presented in October 2020. EXACT DATE AND LOCATION TBD

GUIDELINES

- Nominations become the property of the GHF and will not be returned, unless a self-addressed, stamped envelope is provided or arrangement is made to pick up the submission from GHF offices.
- All entries will be judged on impact to the community. Criteria includes sensitivity to the historic integrity of the building and its site, preservation or replication of historic materials and quality of project craftsmanship and impact of the project, or program, on the preservation of Galveston County's historic fabric, neighborhoods and resources.
- Award selection will be made by a panel of jurors comprised of preservation and design professionals and former award winners. All jury selections are final.

NOMINATION CHECKLIST

- **Nomination Form**
- **Photographs:** Include up to 10 photographs to support your award nomination. Both developed photographs and digital images are accepted. Developed photographs should be mounted on paper and clearly marked. Images submitted digitally should be in .jpg format with a minimum 300 dpi resolution and submitted on a separate disc with the nomination form.
- **Project Summary:** Attach a one page narrative (500 words) explaining the project goals and inspirations, historical significance of the building or site, description of the work performed, date of completion, unusual challenges faced and why the project, individual or community program is worthy of a nomination. *Many details may be seen in submitted photographs of nominated site.*

MAIL OR DELIVER COMPLETED NOMINATION TO:

GHF Preservation Resource Center
Attn: Sally Wallace Preservation Awards
2228 Broadway
Galveston, TX 77550

Or submit via e mail

PRESERVATION AWARDS NOMINATION FORM

Award Categories (check one)

- Restoration/ Rehabilitation:** Recognizing a building, site, landscape, or monument returned to the original design and condition by repair or replacement of the original material, architectural detail and paint color scheme or modified to functional condition through alteration or addition using materials compatible in scale, color, texture and character with the original.
- New Construction/In-Fill:** Recognizing new additions attached to an existing building, or an entirely new building (in-fill) which enhances the historic nature of the original building or streetscape.
- Stewardship:** Recognizing individuals or groups that maintain historic sites or buildings. The building or site must retain the original architectural and historical integrity with no significant alterations.
- Craftsmanship:** Recognizing an individual in the construction fields including but not limited to carpenter, plasterer, wood refinishing, stained glass repair, general contractor and architectural design. Nominations can be for a single project or a body of work.
- Community Service:** Recognizing individuals or groups that exhibit leadership in the field of historic preservation through special projects, programs or activities that promote heritage education in the community or schools, preservation of historic landscapes or archaeological features, historic research, publications or work on historic parks, cemeteries or monuments.
- Green Revival:** Recognizing the use of sustainable, environmentally friendly products or technologies into a historic residence, commercial building or institutional property.
