GALVESTON HISTORICAL FOUNDATION

GHF sets the standard for historic preservation in Galveston County and beyond. We preserve historic houses, buildings, and vessels, and the human stories that make history come alive.

At GHF, members, volunteers, and staff work together to advance preservation. This collaboration has saved Strand buildings, Broadway mansions, and countless historic houses. Local maritime heritage is honored by the Texas Seaport Museum, home of the Official Tall Ship of Texas, the 1877 ELISSA. Community and cultural events, like Dickens on The Strand and the Galveston Historic Homes Tour, offer residents and visitors a unique and fun way to experience history.

How do you get involved? Use the attached envelope to become a member. Visit our local sites – free to members – and look for our special events at www.galvestonhistory.org. Also, why not volunteer at one of our events?

Most importantly, your membership helps GHF continue preserving and revitalizing the architectural, cultural, and maritime heritage of Galveston Island.

On Galveston Island, history is a tangible experience; preservation is a guiding ethic; and community is a warm and welcome resource.
