Please fill out this form, attach a photograph of your house or building and return it to:
Galveston Historical Foundation, P. O. Box 149, Galveston, Texas 77553.
Forms will be processed by GHF and submitted to the Texas Historical Commission for final review and appeals. You will be notified by mail of exemption eligibility within 60 days. After the completed form is returned, please send a copy of your approved eligibility form to your insurance agent.
You will need a separate exemption for each building 50 years old or older on your property.

Please capture as much of the full façade as possible. Angled photographs are acceptable.

Approval will be based on whether the historic character of the exterior has been maintained and whether it contributes to the historic character of the surrounding neighborhood. **Despite being old, buildings that have been heavily modified may not qualify for the exemption.** Another consideration may be buildings associated with a person or events significant to our past. If you have information that supports this case, please attach it to your application.
