ATTACH 4" x 6" PHOTO HERE

Please capture as much of the full façade as possible. Angled photographs are acceptable.

Approval will be based on whether the historic character of the exterior has been maintained and whether it contributes to the historic character of the surrounding neighborhood. **Despite being over 50 years of age, buildings that have been heavily modified may be disqualified for the exemption.**

Other considerations may be buildings associated with significant persons or events connected to the past. If you have information that supports that case, please include with your application.
